Green Bond Allocation Report

Year: 2023

Santander Consumer Bank AS Green Bond Allocation Report

Year: 2023

In accordance with the portfolio approach

In accordance with the Santander Consumer Bank AS Green Bond Framework 2019, this document provides, on aggregated basis, indicators such as:

- The size of the identified Eligible Green Loan Portfolio;
- The total amount of proceeds allocated to Eligible Green Loans;
- The balance (if any) of unallocated proceeds;
- The amount or the percentage of new financing and refinancing;
- The geographical location of the assets (at country level).
